

*Emina Mušinović*  
*Elizabetha*

Glavni oblik umjetničkog izražavanja Emine Mušinović (Elizabeth) je akrilno slikarstvo, ali također uživa u poeziji, uglavnom transcendentalistić i romantićnoj.

Glavni motivi koje koristi su pšenica, cvijeće, lišće, priroda općenito, proljeće, zima, snijeg.

Tematika njene poezije obuhvata smrt, prirodu, ljubav, mentalne bolesti... Elizabetha je po profesiji profesorica engleskog jezika i književnosti, ali ne radi u toj oblasti niti je zainteresirana za to.

Živi u malom selu i tu je započela njena ljubav prema prirodi.

## **dianthus**

*as the summer begins a hiatus,  
the day shines on the dianthus  
far away in my garden.  
my ethereal flower starred in  
all my daydreams passed.  
tonight is our time last  
in my own world where we are friends  
where the wall is mended.  
my dear dianthus,  
id learn the language of flowers,  
but it tastes sour.  
it makes comedy ours  
yours and mine.  
all the beliefs you enshrined  
to me are not divine.  
place yourself further, dianthus.  
the autumn embraces the canvas.*

## ***im on my way, snowy joey***

*thank you, parents, for  
never bringing warmth or  
ever singing north, as  
it all went south; white hands;  
now i lay in eternal cold  
covered in mould  
like a real transcendentalist.  
dont dare to make me missed.  
i become one with nature.  
i turn into leafs crenature.  
in bitterness i remember how  
we will be together now  
like then, joe and i,  
mid july.  
he was so young and beautiful.  
i leave my lyres bucketful,  
we shall forever be young  
when one become my lungs and tongue,  
our journeys are differing,  
but xanny was whispering  
to him and to me.*

*now we shall be  
trapped but forever free.  
hold me close, joe,  
like you did before.  
i used to call you snowy joey.  
you're the only one who'll know me.  
i'll tell you about my recent heartbreak  
when you meet me at the poet's lake.  
i'll tell you how daisies i wanted  
that were in a garden guarded;  
in the garden's inside  
where the sun hides.*
